## INTRODUCTION

**M/s Charminar** company is a quality management that was established in 2013, provides a truly independent and personal service. In an industry where knowledge and experience counts, our talented team of key personnel enjoys a wealth of experience, providing in-depth understanding of your particular needs and requirements, which are unique to every building.

To this end, Charminar creates its own team for each contract to provide regular maintenance and servicing.

## OUR VISION

To meet the growing demand of MEP -Electrical, Civil works & Sub-contract works with the latest art of technology in order to satisfy our customer requirement

## OUR CORE VALUES

- ***Customer First.*** We view our company through our customer's eyes. We realize that this means that we have to constantly try to find solutions to improve the quality of service so that we exceed our customer's expectations.
- ***Lead Through Innovation.*** We are constantly working to improve our service and efficiencies in order to deliver smarter solutions faster. We anticipate our customer's needs by implementing the latest techniques and newest technology and products. We challenge the way things have always been done. If our solutions offer a cost savings, we pass it on to our customer.
- ***One Company, One Team.*** Charminar strives to treat every member of our company with respect and dignity no matter what their position is in the company. We encourage our employees to do the same to achieve results beyond expectations
- ***Personal Accountability for Excellence.*** At Charminar we understand that trust is earned. When we make a promise, we keep that promise. We set our standards high with regard to performance. At Charminar superior performance is not an expectation, it is a reality.
- ***Integrity.*** We always want to act ethically, honestly and fairly in all situations - Whether we are at work or in the community.
